

**ADVANCE DIVISION MAKE PLANS**—Rev. Jim Smith, United Way Campaign chairman, Joe E. Ford and Lewis Earl Madden, both members of the advance division, complete plans for the advance phase of the drive which opens Monday morning. Goal for the advance division has been set at 50 percent of the total goal of \$9,000.

##### And What Have You

By BOB CRAIG

Our friend James Roberts, publisher of the Andrews County News, has a way with words that seems to put matters into their proper perspective. In a recent column he takes up the fight for the farmer and we believe his thoughts on this subject should be of interest to most of our readers and therefore we are loaning this space to him this week.

Farming, more than any other business, is like rolling high dice at a craps shooter's convention.

And now that everybody and his neighbor is getting into the act on the sale of wheat to the Russians, farming should be considered a hazardous occupation.

The editorial "we" has been used by newspapers since the founding of this nation but the past several weeks was the first time we have seen it applied to a farmer's harvest.

How did it suddenly become "we" shouldn't sell "our" wheat to the Russians? Does the wheat belong to the American consumer? Does it belong to the government? Does it belong to George Meany and the longshoremen?

Where were the "we's" when the poor devil was standing out in the middle of his field, week after week, scanning anxiously the skies for possible rainbearing clouds that would moisten the field enough for him to get his seed into the ground?

Where were the "we's" when the first small stand withered under the searing sun and the farmer wrestled with the agonizing decision as to whether to plow it up and replant or go with the poor stand?

Where were the "we's" that late afternoon when the man and his wife stood at the edge of that south 160 acres and stared in shocked disbelief at the utter destruction. Twenty minutes earlier, a lovely green, waving stand of twelve-inch high plants had completely disappeared under the savage seven-minute hail that had swept in from New Mexico and laid waste everything to the Caprock?

Where were the "we's" when the cotton farmer walked out into the green field and noticed for the first time that the rich, ripe bolls appeared sickly on second glance and a closer look revealed that the weevil had bored all the way through and the entire crop was heavily infested?

Where were the "we's" when the farmer hunted high and low—and in vain—for someone to help him and his wife and two teenage sons hoe the weeds that overshadowed the field despite the earlier application of expensive Trellan?

Where were the "we's" earlier in the year at planting time when the price of milo, cotton, and wheat were so low that despite his choice of what to plant, it didn't appear that even if he dodged all the perils of nature, that the harvest would bring enough to pay fuel, fertilizer, and...

## United Way Advance Drive Starts Monday

The Advance Division of Hamlin's first United Way Campaign will kick off here Monday morning, according to the Rev. Jim Smith, campaign chairman. Heading the advance division will be Joe E. Ford, Lewis Earl Madden and Mrs. L. H. McBride.

The Rev. Smith said that the goal for the advance division has been set at 50 percent of the total goal of \$9,000.

Ford, chairman for this division, said a meeting of the workers on this part of the United Way Campaign will meet sometime Monday to be assigned cards of selected businesses and individuals who are expected to contribute the heaviest in this once-a-year fund drive.

"We hope that the people of Hamlin will realize that this drive is actually 14 drives combined into one and will give accordingly," Ford said. "If everyone will give their fair share to all of these needy organizations at this one time we should not have any trouble reaching our goal," he added.

"For years the people of Hamlin have talked about just having one huge fund raising drive instead of having one drive right after another and now is our chance to prove that this way is best," Ford said. "But this one drive can only work if the people pledge to support this drive the same way that they have always supported the many drives we have had in the past," he continued.

Pledges to the United Way Campaign may be paid

monthly, quarterly, semi-annually or in one lump sum. Arrangements have been made for the pledges to be paid by bank draft or by regular billing.

With the kickoff of the advance division set for this Monday, the campaign will move into its second stage the following Monday with the Business Division. This division will be headed by Luther Haught. The final stages of the campaign will get underway on Monday, Oct. 20, with the general campaign kickoff meeting which will open the School, Employee, Farmer and Door to Door Divisions.

The 14 agencies taking part in this year's United Way Campaign and the amount budgeted for each are:

Birth Defects	\$200
West Texas Rehabilitation Center	\$1,200
Cancer Research	\$500
Salvation Army	\$800
Hear Research	\$200
Arthritis Foundation	\$200
Summer Recreation Program	\$300
Summer Baseball Programs (Boys and Girls)	\$1,300
Hamlin Child Care Center	\$1,500
Boy Scouts of America	\$750
Girl Scouts of America	\$750
Local Scouting Activities	\$500
Hamlin Stock Show	\$500
Campaign Expenses	\$300
<b>TOTAL</b>	<b>\$9,000</b>

Should the drive fail to reach its goal, Smith said that each unit will receive its proportionate share of the money raised.

### Rolling Plains Economic Program Meeting Set Oct. 7

The 1975 Rolling Plains Economic Program Annual Meeting has been set for Oct. 7, with registration beginning at 9:30 a.m. at the Baylor County Extension Building in Seymour, according to Kirby Clayton and Nacey Wilburn, County Extension Agents.

The theme for this year's annual meeting is focused on Agricultural Situation and Outlook with topics entitled, "Making Texas Number One in Agriculture," "What Makes Up the Retail Price of Food?," "Cotton Situation and Outlook," "Feed Grain Situation and Outlook" and "Livestock Situation and Outlook." Nationally recognized speakers will be participating on the program.

### JC Carnival Runs Through Saturday

The Hamlin Jaycees are sponsoring a kiddie carnival here this week.

Rides were set up Tuesday and will run through Saturday, according to Harvey Lawlis, president.

## Flea Market, Auction Saturday

Area residents are being urged to join in the fun here Saturday at the big Sidewalk Sale, Flea Market, Auction and New Car Show being sponsored by the Hamlin Retail Trade Committee according to Gary McMillan, chairman.

All area residents are invited to take part in the huge Flea Market being planned here Saturday by

the Retail Trade Committee during their final Sidewalk sale of the season. McMillan said. "We hope that everyone will gather up all their unwanted items and bring them to town this Saturday," he added.

A number of the downtown merchants are making plans to join area residents out on the sidewalks as they take part

in the big sidewalk sale.

A huge auction is being planned to benefit the Hamlin Day Care Center at 2 p.m. The auction of new and used furniture, farm equipment, used cars, and many other items will be held along the side of the Hamlin city hall building, according to Mrs. L. C. Bonds. She said that the auction will be moved into

the back of the city hall building in case of inclement weather.

The Day Care Center will be auctioning both donated items and items on consignment. Auctioneer will be Ricky Crowley and Danny Carter.

A display of new cars and tractors will be located on the Lone Star Gas Company parking lot

KICKOFF SET FOR 7:30—

## Pipers to Open District Play Here With Anson

The Hamlin Pipers open the race for their fourth consecutive District 6-AA title here Friday night when they host the Anson Tigers. Kickoff time for the contest that will be rated as one of the top games of the area is set for 7:30.

The Tigers will carry a 4-0 record into the game while the Pipers own a 3-0 record. Anson defeated the Clyde Bulldogs last week, 20-6, while the Pipers were getting their record tarnished by a 6-6 tie with highly ranked Cisco.

In other 6-AA games, Winters will host Ballinger. Colorado City will host Coahoma and Stamford will take the night off.

The Tigers share the favorite status with Ballinger as the teams picked in early season polls to take the 6-AA

title this year. Both teams remain undefeated after four nonconference games. Anson holds victories over Haskell, Rotan, Albany and Clyde.

The Pipers had to come from behind in the waning moments of the game last year between these two arch-rivals to take a 17-13 victory.

The Tigers, operating out of the Houston Veer, have one of the top quarterbacks in the

area in Tony Watts, a 185-pound senior. Scouting reports indicate that he is a good runner and an excellent passer. Last year against the Pipers he carried the ball 15 times for 35 yards and passed 10 times, completing five for 46 yards.

The Tigers have two good running backs in their veer offense in John Booker, a 165-pound senior, and Eddie

Munoz, a 150-pound junior. Booker carried the ball last year against the Pipers 16 times for 96 yards. Munoz is up from last year's Tiger Junior Varsity team. At flanker for the Tigers will be Joe Salinas, a 140-pound senior, who is a good blocker and receiver.

Favorite receiver for the Tigers is Mark Guffey, a 150-pound sophomore, who plays one of the tight end positions. At the other tight end position will be Monte Schmitt, a 155-pound senior. The tackles will be Gary Mize, a 195-pound senior, and Mike Hayes, a 184-pound senior. The guards will be Jerry Vaughn, a 200-pound senior, and Matthew Torres, a 190-pound senior. The center will be Sam Sandbothe, a 168-pound senior.

On defense, the Tiger front five average above 180 pounds with the middle three averaging 190 pounds per man. The defensive ends will be Fred Salinas, 155 pounds, and Mitch Hall, 160 pounds. The tackles will be Gary Mize, 195 pounds, and Mike Hayes, 185 pounds. The nose guard will be Matthew Torres, 190 pounds.

The linebackers for the Tigers will be Sam Sandbothe, 168 pounds, and Jerry Vaughn, 200 pounds. The defensive secondary will be Eddie Munoz, 150 pounds, Mark Guffey, 150 pounds, Tony Watts, 185 pounds, and David Rodriguez, 137 pounds.

District 6-AA Roundup—Anson, Winters, Ballinger and Stamford each posted wins last week in closing out their nonconference season. While Hamlin was being tied by Cisco, 6-6, Anson was defeating Clyde, 20-6, Winters defeated Eldorado, 13-0, Ballinger defeated Coleman, 20-7, and Stamford mauled Haskell, 42-0. Coahoma lost to McCamey, 19-12, and Colorado City lost to Post, 30-0.

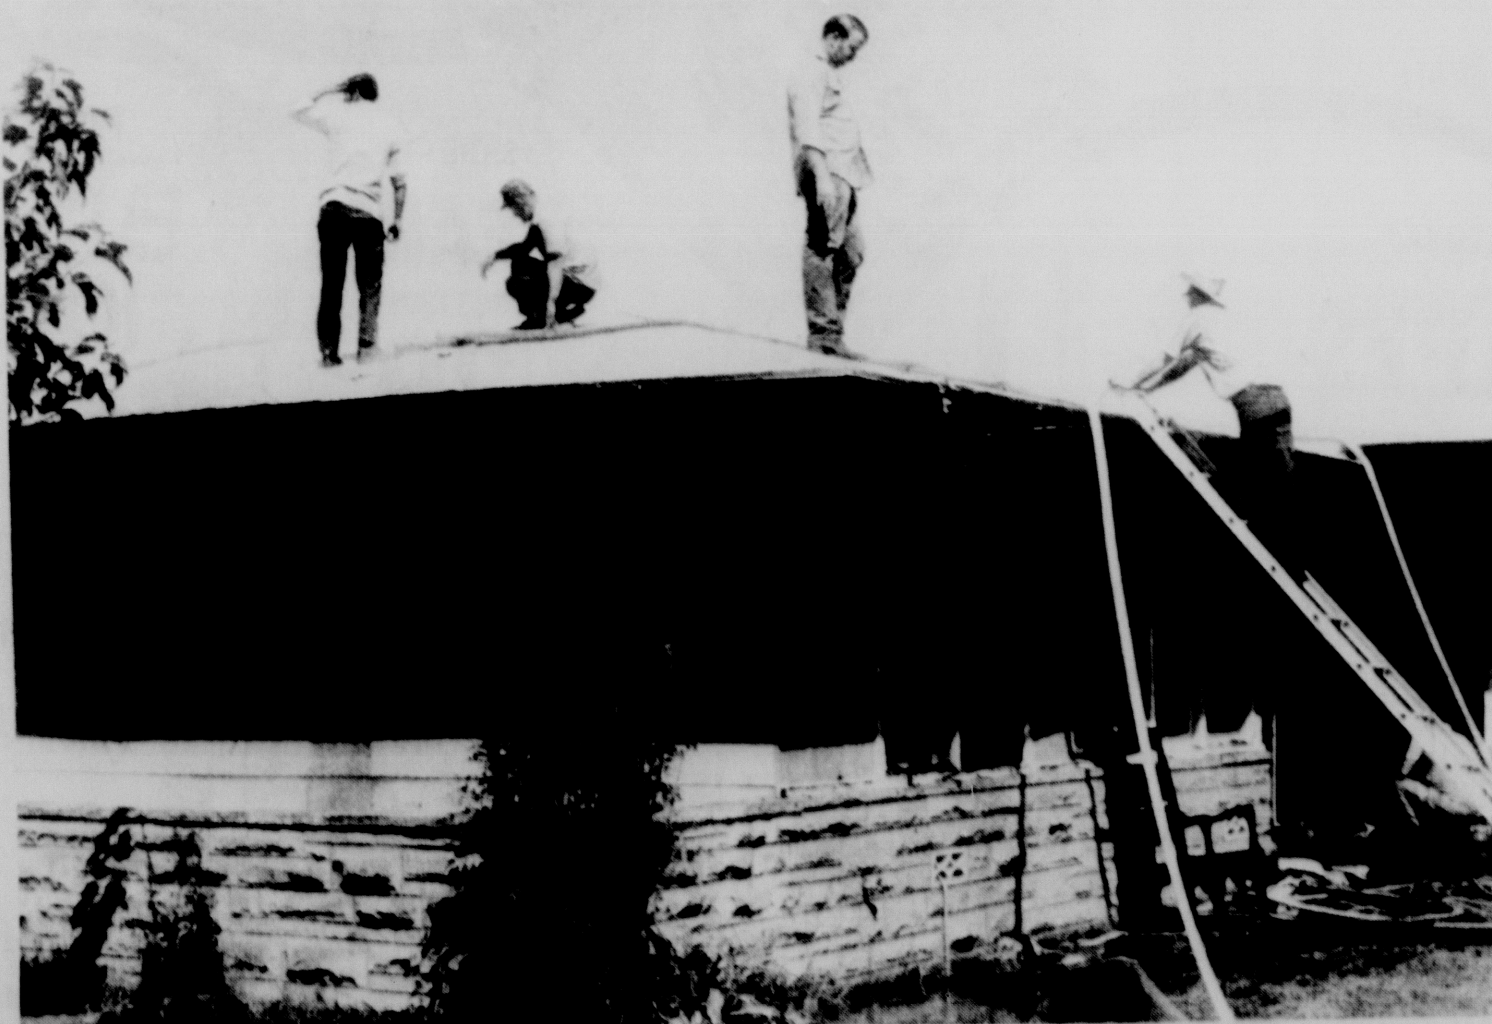

### Rotary Club Supper Set Before Game

The Hamlin Rotary Club will host a pre-game Spaghetti and Meat Supper Friday night before the Hamlin-Anson football game.

Serving will begin at 5 p.m. in the high school cafeteria and continue until 7 p.m.

Advance tickets are \$2. The meal will include spaghetti and meat, salad, dessert and drink. Joe E. Ford is chairman of the project and Bill Rountree is ticket sales chairman.

Tickets will also be available at the door. More than 325 persons were served at last year's annual event.

**FIREFIGHTING OPERATION**—Hamlin Volunteer Firemen battle a raging fire at the home of Mr. and Mrs. Bill Feagan Saturday afternoon. The five-bedroom home was ex-

tensively damaged by the blaze but no estimates of the loss were available this week. The Feagans are presently living at 449 Southwest Fifth Street. (Photo by Tim Jones)

# Open House Sunday For Willinghams

Mr. and Mrs. Tarlton Willingham, 40 N. W. Ave. H, will be honored Sunday with an Open House in celebration of their 50th Wedding Anniversary. Their children and their families will be hosts. Friends and relatives are invited to call at the home from 2 to 5 p.m.

The couple's children are Jack G. Willingham and Mrs. Kenneth Holloway of Dumas. Mr. Willingham was born August 5, 1902, at Blum in Hill County. He moved with his parents, the late Mr. and Mrs. B. F. Willingham, to Fisher County in 1909.

The former Esther Young, she is the daughter of the late Mr. and Mrs. J. A. Young, pioneer settlers of Fisher County. She was born April 3, 1901. The couple grew up together in the Swedonia Community with their homes about a mile apart.

They were married October 7, 1925, in the Methodist parsonage in McCaulley. They lived in the Swedonia Community until moving to Hamlin several years ago. They still maintain ranching and farming interests there. They are members of First United Methodist Church. She is a member of the Woman's Literary Club and the Hamlin Garden Club. They have seven grandchildren.

His sister and her family, Mr. and Mrs. Blakely Campbell, their son and his family, Mr. and Mrs. Ben Campbell and Brad, all of Palestine, are expected to be here for the event along with other relatives of the couple.

## Mary Martha Class Meets

The Mary Martha Sunday School Class of First Baptist Church met for monthly meeting Monday night in the church parlor.

Mrs. Glen McMillen gave the devotional followed by a short business meeting.

Mrs. George Werner and Mrs. Charles Brumley were hostesses.

Others present were Mmes. Robert Goodgame, Joe Hymer, Mac Reid and Ruby Scifres.

## Ruth Class Meets Tuesday

Ruth Sunday School Class of Central Baptist Church met Tuesday afternoon in the home of Mrs. Troy Money. Mrs. W. J. Stewart gave the opening prayer.

New officers elected for the new year were Mmes. R. Y. Cloud, president; C. H. Clark, vice president; W. J. Stewart, secretary; Eddie B. Hopper, assistant secretary; M. L. Haught, group captain; Opal Goodgame, treasurer; and Cloud, reporter; and Floyd Wallace, mission chairman.

Mrs. Haught gave the devotional on Psalms 97. Bible Quiz was conducted by Mrs. Cloud. Mrs. Newell King gave the closing prayer.

## Literary Club Meets Friday

Mrs. R. D. Moore will present "Federation Challenge" at the opening luncheon of Woman's Literary Club Friday at 12 noon at Sirlin Restaurant in Anson.

Mrs. Earl Brown, second vice president and yearbook chairman, will be program director.

Hostesses will be Mrs. Brown, Mrs. A. B. Carlton and Mrs. L. B. Bruner.

## Mrs. McKissack Hosts Xi Gamma Pi Meeting

Mrs. Bob McKissack was hostess for the Thursday afternoon bi-monthly meeting of Xi Gamma Pi chapter of Beta Sigma Phi sorority.

Mrs. James Harrison presided.

The club's Bicentennial project will be in cooperation with other groups to beautify areas leading into Hamlin on the north, south, east and west highways. Mmes. C. Weldon Griggs, John C. Bryant and Arlie Cassle were named to this committee.

Each member is to furnish a cake for the Saturday auction to help raise funds for the Hamlin Day Care Center. The cakes are to be in the BCD office by 2 p.m. Saturday.

Yearbooks, prepared by the yearbook committee, were presented by the members, Mmes. McKissack, M. L. Smith and Leldon Clifton.

Mrs. Bonds presented the program on the "History of Hamlin." She used information from a brochure prepared by the BCD office. Refreshments were served.

Attending were Mmes. Jack Willingham, W. T. Johnson, Gerald Young, James Harrison, Howard Mehafe, Tim Jones, Bonds, Griggs, Bryant, Smith, Jerry Waggoner, Cecil Sellers, Arlie Cassle and a guest, Mrs. H. O. Cassle of Laguna Beach, Calif.

The next meeting will be Oct. 9 in the home of Mrs. Waggoner.

Weekend visitors in the home of Erma Hall and Mr. and Mrs. Mack Perdue were their cousins, Mrs. Cleora Cole of Arcadia, Calif., and Mrs. Opha Bynum of Palestine.

#### Pop Top Rings from Soda Pop Cans

Is soda pop popular at your house? And do you collect a lot of those interesting-looking pop top rings? Here are a few suggestions for their use.

#### Earrings

Yes, earrings of all things! It's easy and you can make them any color you want. First paint the pop top rings. Then, simply place them flat onto waxed paper and fill the ring sections with ordinary white glue. Stir in a little food coloring, using a toothpick. Let the glue dry overnight; then carefully lift them off the waxed paper. Curl the tab ends and glue your finished earrings to the earring backs.

#### Ring around a Hot Pad

Fancy up an old hot pad pretty enough for a party table. First, cut a piece of cardboard or felt, the same size and shape as your hot pad, for a backing to protect your table. Then bend enough pop top rings to go around your hot pad and glue the tab ends to the underside of the pad. Paint the pad and the pop top rings. Finally, glue on the backing.

#### Lizard Novelty

Here's a cutie to hang on your coat or just to let the children have to play with. Overlap 11 rings and thread them onto ribbon. Cut tabs off except as follows: the first for a head, and the 3rd, 4th, 7th and 8th for legs. Curve the tabs down for the legs and up for the head. Taper the end of the ribbon for the tail. Cover the head ring with a paper circle and glue on beads for eyes.

## Gas Priced Like Apples\*

"How much are your apples?" only 29 cents, too."

asks the housewife of the grocer, so goes the story.

"Forty-nine cents a pound," the grocer replies.

The housewife registers surprise and exclaims: "Henry's apples are only 29-cents."

"Why don't you buy your apples from Henry?" responds the merchant.

"He doesn't have any apples," she says.

"If I didn't have any apples," the grocer explodes, "mine would be 51 cents, too. But we couldn't buy gas either."

Which is a long way, perhaps, of getting around to the point.

Natural gas in Texas sells for up to \$1.90 per 1,000 cubic feet. And Texans have gas.

But in non-producing states, where the price of imported gas is controlled at 51 cents per 1,000 cubic feet, there is no new gas to be bought.

If we didn't have gas, our price would be 51 cents, too. But we couldn't buy gas either.

FROM THE FILES . . .

**FIFTY YEARS AGO**  
(Sept. 25, 1925)  
It may sound a bit "sacrilegious" to say "unwelcome" rain in West Texas. But when the whole country is "white unto the harvest" it is not altogether out of the place to say it is unwelcome! Monday and Tuesday of this week the cotton season was going full blast. Every gin was crowded and prospects looked good for a record week. But rains began to fall Tuesday night, and all day Wednesday it was clouded and more rain came Wednesday evening. So cotton picking is at a stand-still until next week. If no more rain falls.

Sunday will be a promotion day and we expect to make it a great day. A short program will be given at the close of the Sunday School hour, and those who are to be promoted are to be given their Sunday School certificates. Parents of the children are especially urged to be present.

J. L. Herbst and family of Idalou came down Sunday to spend a week with their parents. Mr. Herbst has been on the Plains about seven years. Mr. and Mrs. Jim Bristow of Truby, spent Sunday with his brother, D. L. Bristow and his family.

Posters for the mass tuberculosis chest x-ray campaign slated in Hamlin soon will be put out in the middle of the week, according to Mrs. E. M. Wilson, Jones County TB Association chairman. J. E. Patterson, local chairman for Hamlin, has secured the showroom of Hamlin Motor Company for the project, which is to be conducted Thursday and Friday Oct. 6 and 7. Next week's Hamlin Herald will give a list of the personnel working in the project.

Carla Young was elected president of the McCaulley 4-H Club Sept. 18. Other officers elected include Fonda Jeffrey, vice president; Britt Jeffrey, secretary; James Jeffrey, reporter; Scott Stevenson, treasurer; Lolita Perales and Joe Don Jeffrey, council delegates; and Cherie McKinney, recreation leader.

Barbara Jeffrey spoke to the group on projects and Mrs. Johnnie Jeffrey gave information on Foods With an International Flavor.

The club will meet the third Wednesday of October. Seventeen members, two visitors and four adult leaders were present.

Marolyn Weaver Attends Seminar

Marolyn Weaver, R.Ph. attended a continuing education seminar concerning "Therapeutics in Dermatology" Sunday, Sept. 14, in the Downtowner Motor Inn in Abilene, sponsored by the Texas Pharmaceutical Association. Pharmacists from throughout the Abilene area heard lectures concerning the latest prescription and over-the-counter drugs and cosmetic preparations used in the treatment of various skin disorders.

Mrs. Weaver is pharmacist at Reynolds Drug Store in Hamlin. Five hours of continuing education credit were earned for participating in the seminar.

and seed expense much less his own labor?

And now that the wheat farmer has managed to raise a bumper crop despite the adversity of weather, inflation, and soaring fuel costs, suddenly everyone, suddenly all the "we's" want to rush in and tell him who to sell to and for what price.

All of a sudden it's not the farmer's crop any longer. Now it's "our" crop.

Jumpin' jeohospat! The farmer has a commodity for sale and at long last the whole world wants to buy it. Now, instead of storing it in expensive elevators, buyers everywhere are clamouring for it.

And as far as we are concerned, the American farmer ought to sell his crop to the highest bidder whether he be the American consumer, an Arab potentate, a Russian wheeler-dealer, or a Ubangi native.

It is hard for us to visualize a Russian, an Arab, or a Ubangi native having more bargaining power, more purchasing power, more money to spend on food, than an American citizen.

But if the Russian citizen is more willing to pay the price of American wheat than is the American Consumer, then we firmly believe that the farmer should be free to sell overseas.

It's his crop just as surely as it's the artist painting, the manufacturer's sewing machine, the author's book, the designer gown, the oil man's well. . . and if you don't want to pay the going price—do without!

That free enterprize!

NET

One of the definitions for a net is a trap or a snare. A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. More-over, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

(Compiled each week by the HHS Journalism Class)

The Hamlin Pied Pipers will battle the Anson Tigers in their first District 6-AA game of the season in Piper Stadium Friday at 7:30.

All district contests will begin at 7:30. Hamlin presently stands at 3-0-1 by dumping Rotan, Haskell and Clyde and tying Cisco. Anson boasts a 4-0 mark with romps over Haskell, Rotan, Albany and Clyde.

The Hamlin Pied Pipers battled the Cisco Lobos to a 6-6 tie Friday evening in Piper Stadium.

Delbert Thompson and Daniel Willis provided most of the yardage on the 10-play scoring drive when Thompson's 12-yard touchdown romp put Hamlin into the lead with 7:51 left in the first quarter.

Cisco knotted the score on a fourth quarter pass play. Then with six seconds showing, Russell May rushed in to block a field goal at-

tempt to conserve the tie.

Carrie May and Gerald Rodgers were chosen as Citizens of the Month during a National Honor Society meeting last week.

The Hamlin FFA Chapter has donated several items of "Western Art" to the Hamlin Child Care Center for the auction Oct. 4.

FFA members and advisors have been busy this past week building windmills from concrete nails and cowboys from nails, washers, steeples and wire. The art items are on display at the Board of Community Development office and will remain on display until the auction Saturday evening.

The Distributive Education classes have been selling cow bells for the pep rallies and football games to promote school spirit and enthusiasm throughout the gridiron season. One hundred ninety-six bells have been sold thus far.

### Appointments

Sidney E. McKinney of Abilene has been named to the Industrial Accident Board by Gov. Dolph Briscoe.

Briscoe also selected these members for the Motor Vehicle Commission: Robert Lee Ragsdale of Austin, John N. Cleveland of San Angelo and James M. Carnes of San Antonio.

George F. Dillman of Richardson was re-elected Texas Tourist Development Board chairman.

George Works, Wichita Falls newspaperman, was appointed House Speaker Bill Clayton's press secretary.

28 MPG CITY  
EPA RATING**

That's with the standard 1.4-litre engine and 4-speed manual transmission. The mileage you get, of course, will be strongly influenced by how and where you drive.

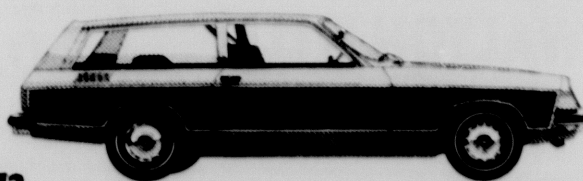

- Chevette is international in design and heritage, incorporating engineering concepts proved around the world.
- Its wheelbase is about the same as a VW Rabbit's.
- It has more front-seat head room than a Datsun B-210, more front-seat leg room than a Toyota Corolla.
- Its turning circle is one of the shortest in the world.

- It can carry cargo up to four feet wide.
- It is well insulated against noise.
- It is protected by 17 anti-corrosion methods.
- It is basically a metric car.
- It comes with a clear, simple self-service booklet.
- It has a standard 1.4-litre engine. A 1.6-litre engine is available (except Scooter).

#### Other Chevrolet values for 1976.

Vega

Built to take it. Vega for 1976: An extensive anti-corrosion program. New hydraulic valve lifters, for quieter engine

performance. A new torque-arm rear suspension. And Vega offers a tough Dura-Built 140-cu.-in. 4-cyl. engine guarantee.

Impala

One of America's most popular full-size cars. That's the result of giving America good value for the dollar. This year, the Impala series

includes the new value of the thrifty Impala S—Chevrolet's lowest priced full-size car.

Nova/Concours

America's favorite compact car. Our basic compact, '76 Nova, makes even more sense than the 3 million Novas that preceded it. And

Concours, the brand-new model featured here, is our highly practical approach to compact luxury.

Chevelle

Enough car for practically anything. It offers room for six at a sensible price. This year, more than ever, its deft blending of mid-size

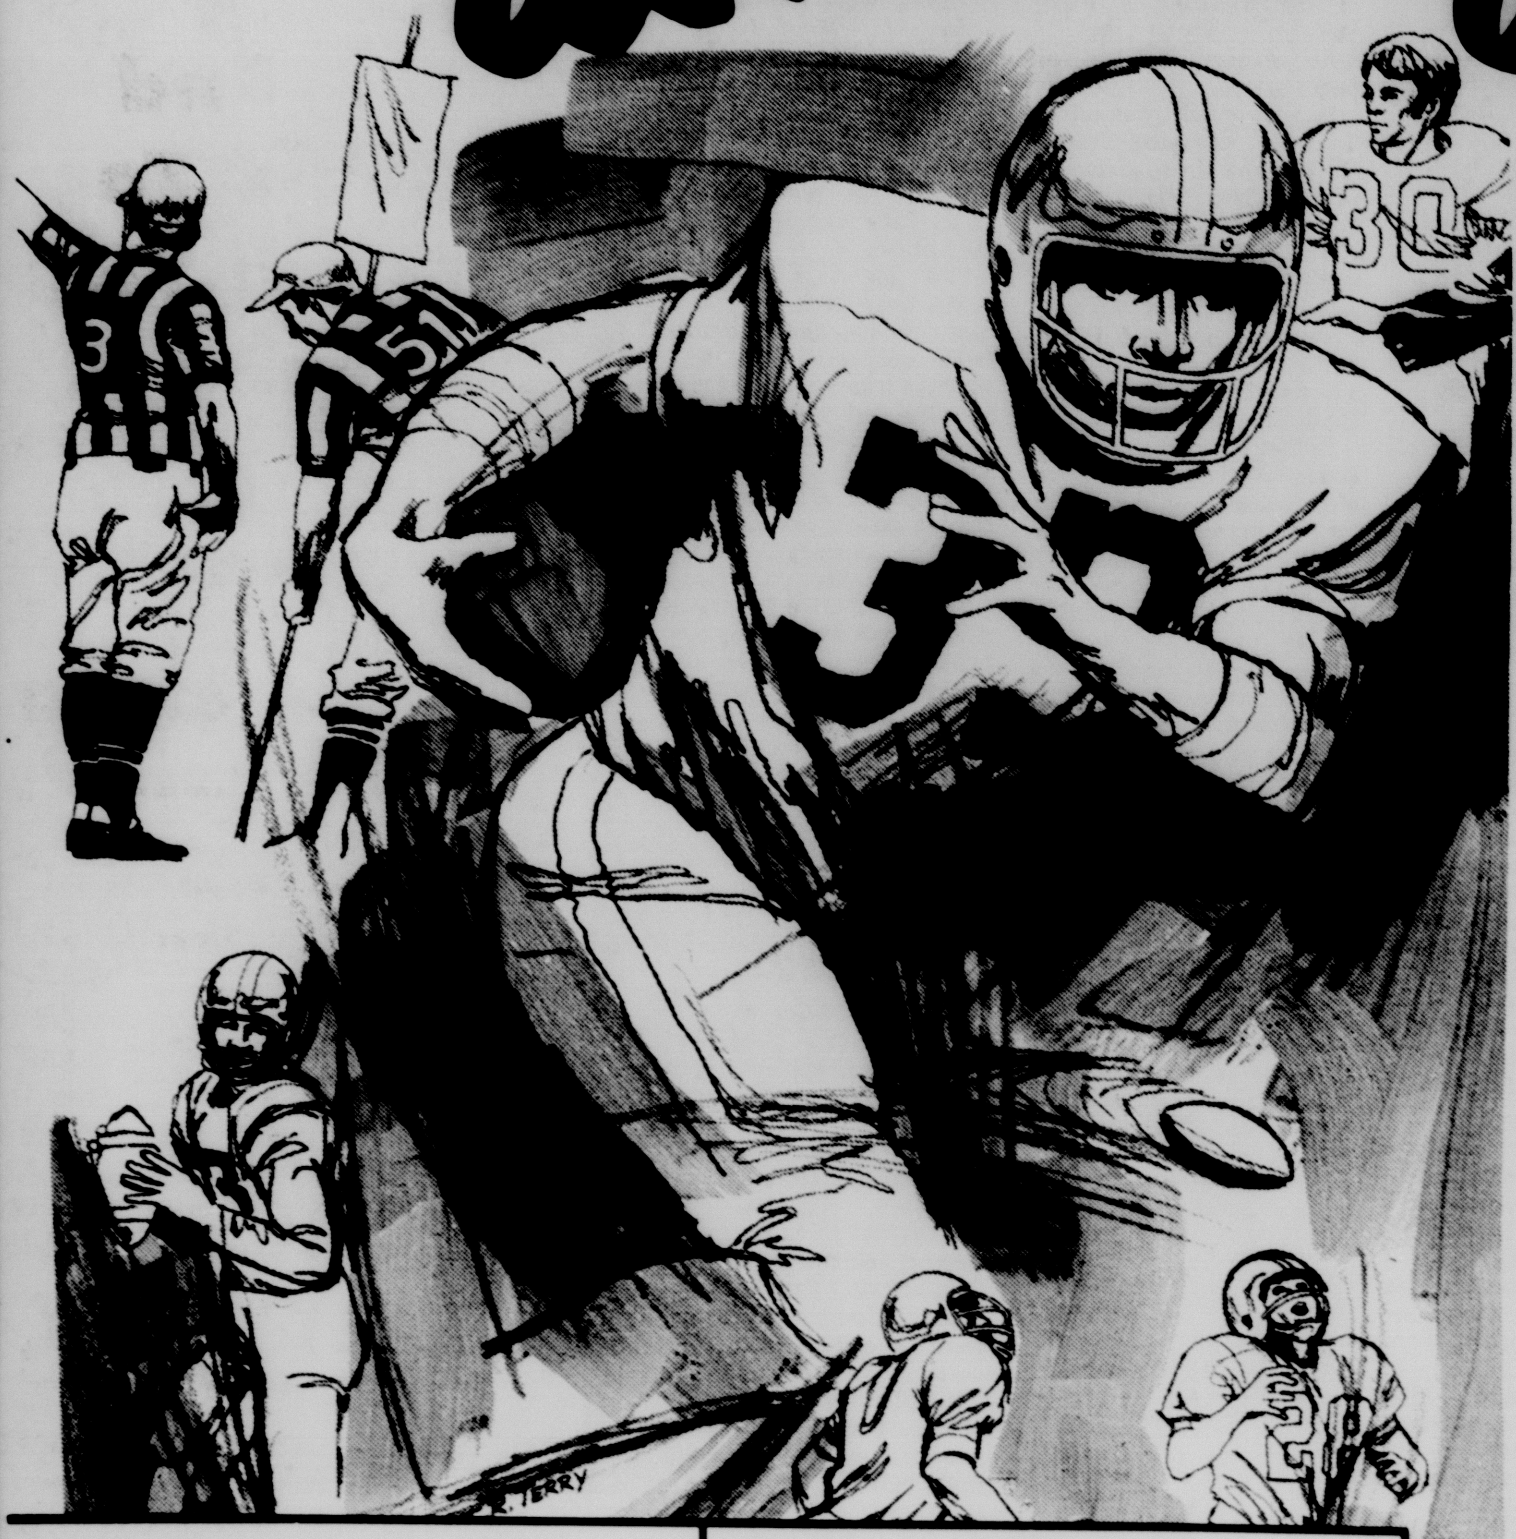

economies, plus room for the average family, makes Chevelle a size whose time has come.

There's much more to see at your Chevy dealer's. Caprice, Monza, Monte Carlo, Camaro, Corvette, Chevrolet wagons—something for everyone in 1976.

# Cisco Comes From Behind to Tie Pipers

The Pipers had the Cisco Lobos on the ropes here Friday evening, but let them off the hook and before the night was over had to fight for lives just to settle for a 6-6 tie. The first half was all the Pipers as they scored the first time they got the ball and completely dominated the highly rated Lobos. But things were different in the second half as the Lobos took command of the football and dominated most of the play.

The Pipers took the opening kickoff and drove 70 yards in 10 plays to score their only points of the evening. During the remainder of the first half, the Pipers were within scoring range three more times and had one touchdown called back. The Pipers moved into scoring range again early in the third period before the Cisco offense took control of the game.

The Lobos ran 41 plays during the second half while the Pipers ran only 19. Lobo Quarterback Ronny Powelson had a busy night for Cisco as he carried the ball 17 times for 77 yards and passed 21 times, completing nine for 95 yards.

Halfback Robert Phariss was the top runner for the Pipers with 70 yards in nine carries. Both Fullback Delbert Thompson and Daniel Willis ended the night with 48 yards each. Willis's came on 11 carries and Thompson's on 13. Kelly Kent, who came into the game averaging nearly 200 yards a game for the Lobos, ended the night with 38 yards in 12 carries. At half-time he had carried four times for minus two yards.

Mack Lee returned the opening kickoff 15 yards to the Hamlin 30 to get the game underway. Willis picked up three yards and then Quarterback Gerald Rodgers ran for nine and a first down at the 47. Thompson carried for six and then Willis picked up another first down on a four-yard carry. Rodgers kept the ball again for another nine yards and then Thompson picked up the first down at

the Lobo 33. Willis skirted his right end for 18 yards to the 16. Thompson picked up one yard, Willis added two more and then Thompson broke over right guard for 13 yards and the score. The snap on the point after try was mishandled and the holder, Drew Tomlinson, tried to pass into the end zone for the two-pointer. The pass fell incomplete and the Pipers were ahead 6-0 with 7:51 left in the first period.

The Lobos gained six yards in three plays and were forced to punt with Willis returning it 19 yards to the Hamlin 39. The Pipers failed to make their first down and punted back to the Lobos.

Cisco took over on their own 10 and fumbled on their first play with David Moore recovering for the Pipers at the Cisco 22. But two plays later the Pipers returned the favor as they gave up the ball on another fumble at the Cisco 14. Cisco did not hang on to the ball long however, as Phariss picked off a Powelson pass and returned it to the Hamlin 43.

The Pipers failed to gain enough for a first again and Rodgers punted to the Cisco 19. Aided by a 15-yard penalty against the Pipers, the Lobos moved out to the 43 before being forced to punt again.

Taking over on their own 26, the Pipers picked up a first down at the 36 on runs of four and six yards by Willis and Phariss. On the next play, Phariss broke loose for 42 yards before being knocked loose from the ball when he was tackled with

Cisco recovering on their own 21.

The Lobos put together three first downs before punting from the 49. With a strong wall of blockers, Phariss returned the Lobo punt 87 yards for an apparent Piper touchdown only to have it called back because of a clipping penalty.

The Pipers failed to gain a first down and punted to the Lobo 27. Cisco picked up a first down at the 38 before Phariss picked off another Powelson pass and returning it 45 yards to the Cisco 26.

With time running out in the first half, Rodgers passed to Alan Steele for 11 yards and then threw out of bounds to stop the clock and set up a field goal try from the 22. Stan Jones's kick was short and the Pipers went in the dressing room at half time with only a six-point lead over the Lobos.

Cisco failed to gain a yard in their first series following the half and punted to their own 45. The Pipers were just inches short of a first down and had to give the ball back to the Lobos at the 35. Alan Young recovered a Cisco fumble at the Lobo 28 to give the Pipers another scoring opportunity.

Willis carried three times for a total of 14 yards and first down at the 14, but the Pipers could only manage five yards in their next four plays and had to give up the football at the nine.

Stopping the Pipers appeared to give new life to the Lobos as they opened up their first serious drive of the night at this point. Relying mostly on the running and passing of Powelson, the Lobos moved from their own nine to the Piper 21 before a 15-yard penalty helped stop their drive.

The Pipers gained eight yards in three plays and had to punt back to the Lobos.

Taking over on their own 45, the Lobos again relied heavily on the running and passing of Powelson to put pressure on the Piper defense. The Lobos gained three first downs to the Hamlin 11 before Brad

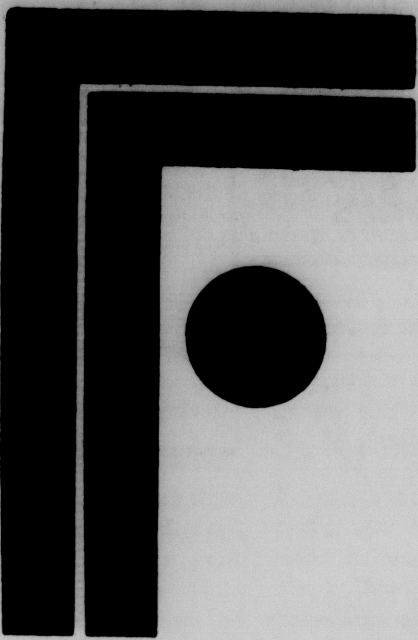

Wilcoxon carried around left end for the Lobo score with 3:57 left in the game. The point after try failed and the score remained tied, 6-6.

The Pipers failed to gain a first down following the kickoff and punted to the Cisco 49. The Lobos moved down to the Hamlin 13 as time was running out. After three incomplete passes and with time just about gone, the Lobos lined up for a 220-yard field goal attempt. Russell May saved the Pipers from a possible defeat as he broke through the Cisco line to block the kick as time ran out.

# Cisco Comes From Behind to Tie Pipers

The Pipers had the Cisco Lobos on the ropes here Friday evening, but let them off the hook and before the night was over had to fight for lives just to settle for a 6-6 tie. The first half was all the Pipers as they scored the first time they got the ball and completely dominated the highly rated Lobos. But things were different in the second half as the Lobos took command of the football and dominated most of the play.

The Pipers took the opening kickoff and drove 70 yards in 10 plays to score their only points of the evening. During the remainder of the first half, the Pipers were within scoring range three more times and had one touchdown called back. The Pipers moved into scoring range again early in the third period before the Cisco offense took control of the game.

The Lobos ran 41 plays during the second half while the Pipers ran only 19. Lobo Quarterback Ronny Powelson had a busy night for Cisco as he carried the ball 17 times for 77 yards and passed 21 times, completing nine for 95 yards.

Halfback Robert Pharris was the top runner for the Pipers with 70 yards in nine carries. Both Fullback Delbert Thompson and Daniel Willis ended the night with 48 yards each. Willis's came on 11 carries and Thompson's on 13. Kelly Kent, who came into the game averaging nearly 200 yards a game for the Lobos, ended the night with 38 yards in 12 carries. At half-time he had carried four times for minus two yards.

Mack Lee returned the opening kickoff 15 yards to the Hamlin 30 to get the game underway. Willis picked up three yards and then Quarterback Gerald Rodgers ran for nine and a first down at the 47. Thompson carried for six and then Willis picked up another first down on a four-yard carry. Rodgers kept the ball again for another nine yards and then Thompson picked up the first down at

the Lobo 33. Willis skirted his right end for 18 yards to the 16. Thompson picked up one yard, Willis added two more and then Thompson broke over right guard for 13 yards and the score. The snap on the point after try was mishandled and the holder, Drew Tomlinson, tried to pass into the end zone for the two-pointer. The pass fell incomplete and the Pipers were ahead 6-0 with 7:51 left in the first period.

The Lobos gained six yards in three plays and were forced to punt with Willis returning it 19 yards to the Hamlin 39. The Pipers failed to make their first down and punted back to the Lobos.

Cisco took over on their own 10 and fumbled on their first play with David Moore recovering for the Pipers at the Cisco 22. But two plays later the Pipers returned the favor as they gave up the ball on another fumble at the Cisco 14. Cisco did not hang on to the ball long however, as Pharris picked off a Powelson pass and returned it to the Hamlin 43.

The Pipers failed to gain enough for a first again and Rodgers punted to the Cisco 19. Aided by a 15-yard penalty against the Pipers, the Lobos moved out to the 43 before being forced to punt again.

Taking over on their own 26, the Pipers picked up a first down at the 36 on runs of four and six yards by Willis and Pharris. On the next play, Pharris broke loose for 42 yards before being knocked loose from the ball when he was tackled with

Cisco recovering on their own 21.

The Lobos put together three first downs before punting from the 49. With a strong wall of blockers, Pharris returned the Lobo punt 67 yards for an apparent Piper touchdown only to have it called back because of a clipping penalty.

The Pipers failed to gain a first down and punted to the Lobo 27. Cisco picked up a first down at the 38 before Pharris picked off another Powelson pass and returning it 45 yards to the Cisco 26.

With time running out in the first half, Rodgers passed to Alan Steele for 11 yards and then threw out of bounds to stop the clock and set up a field goal try from the 22. Stan Jones's kick was short and the Pipers went in the dressing room at half time with only a six-point lead over the Lobos.

Cisco failed to gain a yard in their first series following the half and punted to their own 45. The Pipers were just inches short of a first down and had to give the ball back to the Lobos at the 35. Alan Young recovered a Cisco fumble at the Lobo 28 to give the Pipers another scoring opportunity.

Willis carried three times for a total of 14 yards and first down at the 14, but the Pipers could only manage five yards in their next four plays and had to give up the football at the nine.

Stopping the Pipers appeared to give new life to the Lobos as they opened up their first serious drive of the night at this point. Relying mostly on the running and passing of Powelson, the Lobos moved from their own nine to the Piper 21 before a 15-yard penalty helped stop their drive.

The Pipers gained eight yards in three plays and had to punt back to the Lobos.

Taking over on their own 45, the Lobos again relied heavily on the running and passing of Powelson to put pressure on the Piper defense. The Lobos gained three first downs to the Hamlin 11 before Brad

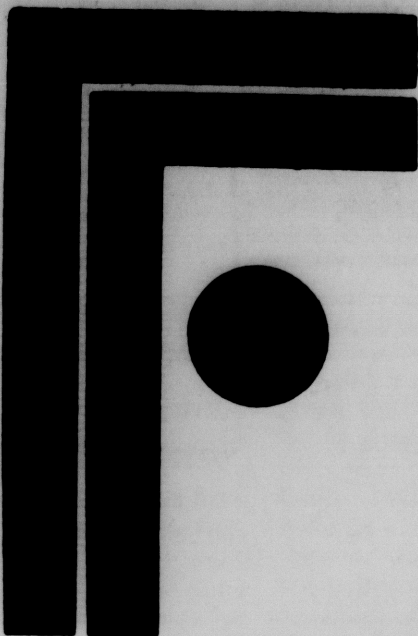

Wilcoxon carried around left end for the Lobo score with 3:57 left in the game. The point after try failed and the score remained tied, 6-6.

The Pipers failed to gain a first down following the kickoff and punted to the Cisco 49. The Lobos moved down to the Hamlin 13 as time was running out. After three incomplete passes and with time just about gone, the Lobos lined up for a 220-yard field goal attempt. Russell May saved the Pipers from a possible defeat as he broke through the Cisco line to block the kick as time ran out.

## Jackie Buskie Elected Hamlin Ag Club Head

In a regularly scheduled meeting of the Hamlin Ag Club Sept. 23, new officers were elected for the 1975-76 year. Elected to succeed Robert Moore as president was Jackie Buskie.

Other officers elected were Barry Moore, vice president; Spencer Ford, secretary; Davis Weaver, treasurer;

and James Lain, reporter. Other retiring officers are Larry McCoy, vice president; Davis Weaver, secretary; Bill Hodnett, treasurer; and Mac Reid, reporter. Gary Finley and Milburn Wink serve as advisors.

Dues for the coming year were set at \$10, which will cover state and area Young Farmer dues, local dues, and a subscription to the Texas Young Farmer magazine.

The group present also pledged to get involved more in community work, in FFA activities, and other youth activities.

Robert Moore was appointed as chairman of the Educational Activities Committee and pointed out that several educational programs had been confirmed for the year, including programs and feeds by the Leiby-Geigy Chemical Company and by Union Carbide, and an Electric Motors Short Course May 10-13. Other committees were also set up, including the Cooperation and Community Service Committee to the Hamlin BCD.

Plans were also made for the club to tour the Cotton Classing Office in Abilene Oct. 23. The tour will be planned by local farmer Mac Reid, who works in the office during the classing season.

The officers and members of the Hamlin Ag Club, remind everyone the club is open to anyone who is interested in agriculture. It meets at least once a month and an educational or recreational program is always planned. The club holds a charter to the Texas Association of Young Farmers.

## Safe Tractor Operation Now Law

Farmers and ranchers whose employees operate tractors are now required to train these employees on the safe operation of tractors, especially regarding the prevention of rollovers. This training shall be provided at the time of initial assignment and as least annually thereafter.

The required training became effective June 1 and is a part of the Occupational Safety and Health Act (OSHA), which also requires all agricultural tractors (except the "low profile types") to be manufactured with rollover protective structures (ROPS) and seat belts after October 25, 1976. "Low Profile" tractors may be operated without ROPS while being used in orchards or vineyard where vertical clearance requirement of the protective structures would interfere with normal operations. However, even exempted

tractors must have ROPS attached when operating under conditions not covered by the exemption.

According to Kirby Clayton, county agent for the Texas Agricultural Extension Service, the required tractor safety training includes the following operating instructions:

1. Securely fasten the seat belt if the tractor has a ROPS.
2. Where possible, avoid operating the tractor near ditches, embankments and holes.

3. Reduce speed when turning, crossing slopes, and on rough, slick or muddy surfaces.
4. Stay off slopes too steep for safe operation.
5. Watch the direction, especially at row ends, on roads and around trees.
6. Do not permit others to ride.
7. Operate the tractor smoothly—no jerky turns, starts or stops.
8. Hitch only to the drawbar and hitch points recommended by the tractor manufacturer.

9. When the tractor is stopped, set the brakes securely and use the park lock if available.

In addition to these particular items, Clayton emphasizes that the working environment may dictate other safety practices.

Operators of tractors equipped with ROPS are required to wear seat belts to keep them inside the protective structure in case of a turnover, notes Clayton. Operators of tractors without ROPS should not wear seat belts.

## Philosopher Wants Right to Depreciate Himself On Income Return Like Quarterbacks

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One thinks he has discovered a possible tax loop hole.

Dear editor: These days, if you want to keep up with labor-management news you naturally have to read the sports pages and that's what I was doing the other night when I ran across an item that made me sit up straight.

According to it, owners of professional football teams can depreciate the cost of quarterbacks. That's right. Say they pay \$500,000 for a quarterback. They then estimate he'll last for, at the most, depending on how much bigger and faster the blitzing linebackers get, about five or six years, give or take a few knee operations and broken ribs. So, they depreciate the cost on their income tax return.

While some people may be

outraged at this, I think it's a splendid idea and if I can think of his name I'm going to write our Congressman and ask him to introduce a bill letting everybody in on this.

For example, say you're 50 years old and it has cost you a minimum of \$2000 a year in food, clothing and shelter to reach that age. (You can't figure in what it has cost you to see \$500,000 quarterbacks play, your subscription to Playboy and things like that.)

All right. That's \$100,000 you've got invested in yourself, subject to annual depreciation on your income tax.

Now comes the ticklish part. Do you elect a quick write-off, say 10 years, or do you string it out over 15 or 20 or even more?

Suppose you feel good and drive carefully and decide to depreciate yourself over 20 years. That means you can write off \$5,000 a year on your income tax. Sure beats that \$100 Congress allowed us last

year. Make a joint return, depreciate your wife, and wind up with the government owing you.

Changing the subject, considering how the CIA has been opening mail willy-nilly, how the FBI and the Secret Service have ignored clear-cut warnings about individuals who feel like shooting a President, how Washington can't for the life of itself figure out an energy policy, how our foreign policy makers seem to believe selling arms to all sides is the way to secure peace, how the Russians continue to outsmart us when it comes to buying grain, how the big cities are going broke, considering all these and a few more you are probably thinking of, do you sometimes get the feeling that this country is being run mainly by incompetents?

Your faithfully,  
J.A.

## Boy Scouts Elect New Troop Officers

At a recent scout meeting new troop officers were elected as follows: Russell Cary, senior patrol leader; Edwin Wheat, assistant senior patrol leader; Wayne Wheat, scribe; Tim Hawkins, librarian; Johnny Cook, quartermaster; David Hertel, Paul Reynolds, Dwain Miller, Neal Baker, Ricky Furr, patrol leaders.

New members include: James R. Austin and Steve Austin, sons of Mrs. Joyce Austin, Kevin Benningfield, son of Mrs. Faye Benningfield.

## Rep. Elmer Martin Named On House Sub-Committee

State Rep. Elmer Martin of Colorado City has been appointed to a House Agriculture sub-committee which will study insecticides, pesticides, herbicides, insect control and the availability of agriculture fertilizer and fuels.

The appointment was announced by Speaker of the House Bill Clayton and Joe A. Hubenak, Chairman of the House Committee on Agriculture and Livestock.

Part of the work of this sub-committee will center on seeking new ways to control the spread of insects which affect the cotton crops of West Texas.

"Hopefully, the fact-finding studies and recommendations of this sub-committee will enable growers to use pest management practices and reduce production costs while maintaining maximum yields of crops with minimum use of insecticides," Rep. Martin said.

## Our Congratulations TO THE HAMLIN VOLUNTEER FIRE DEPARTMENT FOR A JOB DONE LIKE PROFESSIONALS

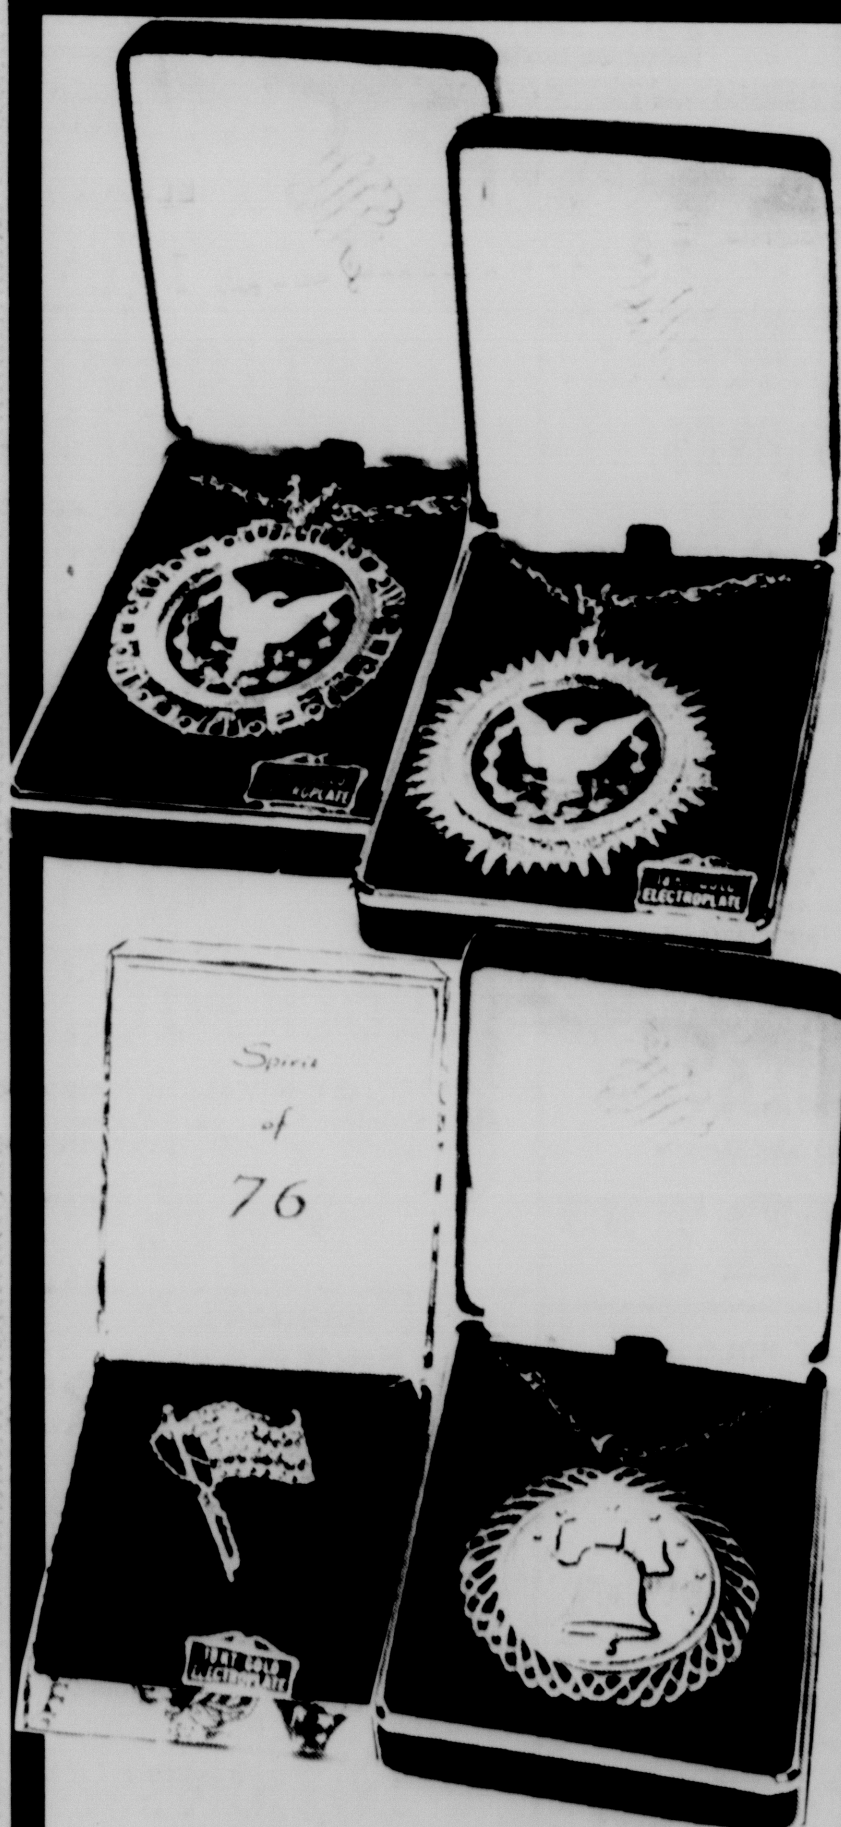

A special thanks goes out to these volunteers for doing their job without causing any unnecessary damage to our home when it burned here Saturday.

Hamlin can be very proud of the dedication of these fine men who are on 24-hour call and take great risks without thought to their own personal safety.

We would also like to thank our many friends and neighbors who joined in the effort to save our home and who helped move the furniture out. Also a great big thanks to members of Beta Theta and other friends who have helped to clean things following the fire.

Again, we say thanks to all of you for a job well done.

**ADVANCE DIVISION MAKE PLANS**—Rev. Jim Smith, United Way Campaign chairman, Joe E. Goal for the advance division has been set at 50 percent of the total goal of \$9,000.

#### NEWS AND VIEWS...

##### And What Have You

By BOB CRAIG

Our friend James Roberts, publisher of the Andrews County News, has a way with words that seems to put matters into their proper perspective. In a recent column he takes up the fight for the farmer and we believe his thoughts on this subject should be of interest to most of our readers and therefore we are loaning this space to him this week.

Farming, more than any other business, is like rolling high dice at a crapshooter's convention.

And now that everybody and his neighbor is getting into the act on the sale of wheat to the Russians, farming should be considered a hazardous occupation.

The editorial "we" has been used by newspapers since the founding of this nation but the past several weeks was the first time we have seen it applied to a farmer's harvest.

How did it suddenly become "we" shouldn't sell "our" wheat to the Russians? Does the wheat belong to the American consumer? Does it belong to the government? Does it belong to George Meany and the longshoremen?

Where were the "we's" when the poor devil was standing out in the middle of his field, week after week, scanning anxiously the skies for possible rainbearing clouds that would moisten the field enough for him to get his seed into the ground?

Where were the "we's" when the first small stand withered under the searing sun and the farmer wrestled with the agonizing decision as to whether to plow it up and replant or go with the poor stand?

Where were the "we's" that late afternoon when the man and his wife stood at the edge of that south 160 acres and stared in shocked disbelief at the utter destruction. Twenty minutes earlier, a lovely green, waving stand of twelve-inch high plants had completely disappeared under the savage seven-minute hail that had swept in from New Mexico and laid waste everything to the Caprock?

Where were the "we's" when the cotton farmer walked out into the green field and noticed for the first time that the rich, ripe bolls appeared sickly on second glance and a closer look revealed that the weevil had bored all the way through and the entire crop was heavily infested?

Where were the "we's" when the farmer hunted high and low—and in vain—for someone to help he and his wife and two teenage sons hoe the weeds that overshadowed the field despite the earlier application of expensive Treflan?

Where were the "we's" earlier in the year at planting time when the price of milo, cotton, and wheat were so low that despite his choice of what to plant, it didn't appear that even if he dodged all the perils of nature, that the harvest would bring enough to pay fuel, fertilizer, —Continued on page 4

## United Way Advance Drive Starts Monday

The Advance Division of Hamlin's first United Way Campaign will kick off here Monday morning, according to the Rev. Jim Smith, campaign chairman. Heading the advance division will be Joe E. Ford, Lewis Earl Madden and Mrs. L. H. McBride.

The Rev. Smith said that the goal for the advance division has been set at 50 percent of the total goal of \$9,000.

Ford, chairman for this division, said a meeting of the workers on this part of the United Way Campaign will meet sometime Monday to be assigned cards of selected businesses and individuals who are expected to contribute the heaviest in this once-a-year fund drive.

"We hope that the people of Hamlin will realize that this drive is actually 14 drives combined into one and will give accordingly," Ford said. "If everyone will give their fair share to all of these needy organizations at this one time we should not have any trouble reaching our goal," he added.

"For years the people of Hamlin have talked about just having one huge fund raising drive instead of having one drive right after another and now is our chance to prove that this way is best," Ford said. "But this one drive can only work if the people pledge to support this drive the same way that they have always supported the many drives we have had in the past," he continued.

Pledges to the United Way Campaign may be paid

monthly, quarterly, semi-annually or in one lump sum. Arrangements have been made for the pledges to be paid by bank draft or by regular billing.

With the kickoff of the advance division set for this Monday, the campaign will move into its second stage the following Monday with the Business Division. This division will be headed by Luther Haught. The final stages of the campaign will get underway on Monday, Oct. 20, with the general campaign kickoff meeting which will open the School, Employee, Farmer and Door to Door Divisions.

The 14 agencies taking part in this year's United Way Campaign and the amount budgeted for each are:

Birth Defects	\$200
West Texas Rehabilitation Center	\$1,200
Cancer Research	\$500
Salvation Army	\$800
Heart Research	\$200
Arthritis Foundation	\$200
Summer Recreation Program	\$300
Summer Baseball Programs (Boys and Girls)	\$1,300
Hamlin Child Care Center	\$1,500
Boy Scouts of America	\$750
Girl Scouts of America	\$750
Local Scouting Activities	\$500
Hamlin Stock Show	\$500
Campaign Expenses	\$300
TOTAL	\$9,000

Should the drive fail to reach its goal, Smith said that each unit will receive its proportionate share of the money raised.

#### Economic Program

#### Meeting Set Oct. 7

The 1975 Rolling Plains Economic Program Annual Meeting has been set for Oct. 7, with registration beginning at 9:30 a.m. at the Baylor County Extension Building in Seymour, according to Kirby Clayton and Nacey Wilburn, County Extension Agents.

The theme for this year's annual meeting is focused on Agricultural Situation and Outlook with topics entitled, "Making Texas Number One in Agriculture," "What Makes Up the Retail Price of Food?," "Cotton Situation and Outlook," "Feed Grain Situation and Outlook" and "Livestock Situation and Outlook." Nationally recognized speakers will be participating on the program.

### JC Carnival Runs Through Saturday

The Hamlin Jaycees are sponsoring a kiddie carnival here this week.

Rides were set up Tuesday and will run through Saturday, according to Harvey Lawlis, president.

## Flea Market, Auction Saturday

Area residents are being urged to join in the fun here Saturday at the big Sidewalk Sale, Flea Market, Auction and New Car Show being sponsored by the Hamlin Retail Trade Committee according to Gary McMillan, chairman.

All area residents are invited to take part in the huge Flea Market being planned here Saturday by

the Retail Trade Committee during their final Sidewalk sale of the season. McMillan said, "We hope that everyone will gather up all their unwanted items and bring them to town this Saturday," he added.

A number of the downtown merchants are making plans to join area residents out on the sidewalks as they take part

in the big sidewalk sale.

A huge auction is being planned to benefit the Hamlin Day Care Center at 2 p.m. The auction of new and used furniture, farm equipment, used cars, and many other items will be held along the side of the Hamlin city hall building, according to Mrs. L. C. Bonds. She said that the auction will be moved into

the back of the city hall building in case of inclement weather.

The Day Care Center will be auctioning both donated items and items on consignment. Auctioneer will be Ricky Crowley and Danny Carter.

A display of new cars and tractors will be located on the Lone Star Gas Company parking lot

KICKOFF SET FOR 7:30—

## Pipers to Open District Play Here With Anson

The Hamlin Pipers open the race for their fourth consecutive District 6-AA title here Friday night when they host the Anson Tigers. Kickoff time for the contest that will be rated as one of the top games of the area is set for 7:30.

The Tigers will carry a 4-0 record into the game while the Pipers own a 3-0-1 record. Anson defeated the Clyde Bulldogs last week, 20-6, while the Pipers were getting their record tarnished by a 6-6 tie with highly ranked Cisco.

In other 6-AA games, Winters will host Ballinger, Colorado City will host Coahoma and Stamford will take the night off.

The Tigers share the favorite status with Ballinger as the teams picked in early season polls to take the 6-AA

title this year. Both teams remain undefeated after four nonconference games. Anson holds victories over Haskell, Rotan, Albany and Clyde.

The Pipers had to come from behind in the waning moments of the game last year between these two arch-rivals to take a 17-13 victory.

The Tigers, operating out of the Houston Veer, have one of the top quarterbacks in the

area in Tony Watts, a 185-pound senior. Scouting reports indicate that he is a good runner and an excellent passer. Last year against the Pipers he carried the ball 15 times for 35 yards and passed 10 times, completing five for 46 yards.

The Tigers have two good running backs in their veer offense in John Booker, a 165-pound senior, and Eddie

Munoz, a 150-pound junior. Booker carried the ball last year against the Pipers 16 times for 96 yards. Munoz is up from last year's Tiger Junior Varsity team. At flanker for the Tigers will be Joe Salinas, a 140-pound senior, who is a good blocker and receiver.

Favorite receiver for the Tigers is Mark Guffey, a 150-pound sophomore, who plays one of the tight end positions. At the other tight end position will be Monte Schmitt, a 155-pound senior. The tackles will be Gary Mize, a 195-pound senior, and Mike Hayes, a 184-pound senior. The guards will be Jerry Vaughn, a 200-pound senior, and Matthew Torres, a 190-pound senior. The center will be Sam Sandbothe, a 168-pound senior.

On defense, the Tiger front five average above 180 pounds with the middle three averaging 190 pounds per man. The defensive ends will be Fred Salinas, 155 pounds, and Mitch Hall, 160 pounds. The tackles will be Gary Mize, 195 pounds, and Mike Hayes, 185 pounds. The nose guard will be Matthew Torres, 190 pounds.

The linebackers for the Tigers will be Sam Sandbothe, 168 pounds, and Jerry Vaughn, 200 pounds. The defensive secondary will be Eddie Munoz, 150 pounds, Mark Guffey, 150 pounds, Tony Watts, 185 pounds, and David Rodriguez, 137 pounds.

District 6-AA Roundup—Anson, Winters, Ballinger and Stamford each posted wins last week in closing out their nonconference season. While Hamlin was being tied by Cisco, 6-6, Anson was defeating Clyde, 20-6, Winters defeated Eldorado, 13-0, Ballinger defeated Coleman, 20-7, and Stamford mauled Haskell, 42-0. Coahoma lost to McCamey, 19-12, and Colorado City lost to Post, 30-0.

## Mexican Baptist Mission To Mark 25th Anniversary

Special 4 p.m. services here Sunday will mark the 25th anniversary of the Mexican Baptist Mission, Stamford Highway.

The first pastor to serve the Mission will return as the main speaker for the service. Victor Ortiz was a 55-year-old Mexican Hardin-Simmons University student when he began to serve the local mission as pastor.

A demolition expert, having worked such projects as the Hoover Dam, Rev. Ortiz had also been a semi-pro baseball player before he and his wife, Manuela, came to Abilene for him to attend HSU.

The present pastor, Rev. Felipe Martinez, will be in charge of the morning worship on the Anniversary Sunday.

The Rev. Ortiz, who is now pastor of a Mexican church at San Ygnacio, 15 miles north of Zapata on Highway 83, and his wife arrived in Hamlin Wednesday morning.

The first service was held at the present site in a 20 x 12 building that was secured for \$1,000 through gifts of \$250 each from four First Baptist Church members. Another gift of \$100 paid to have it placed on lots owned by other members.

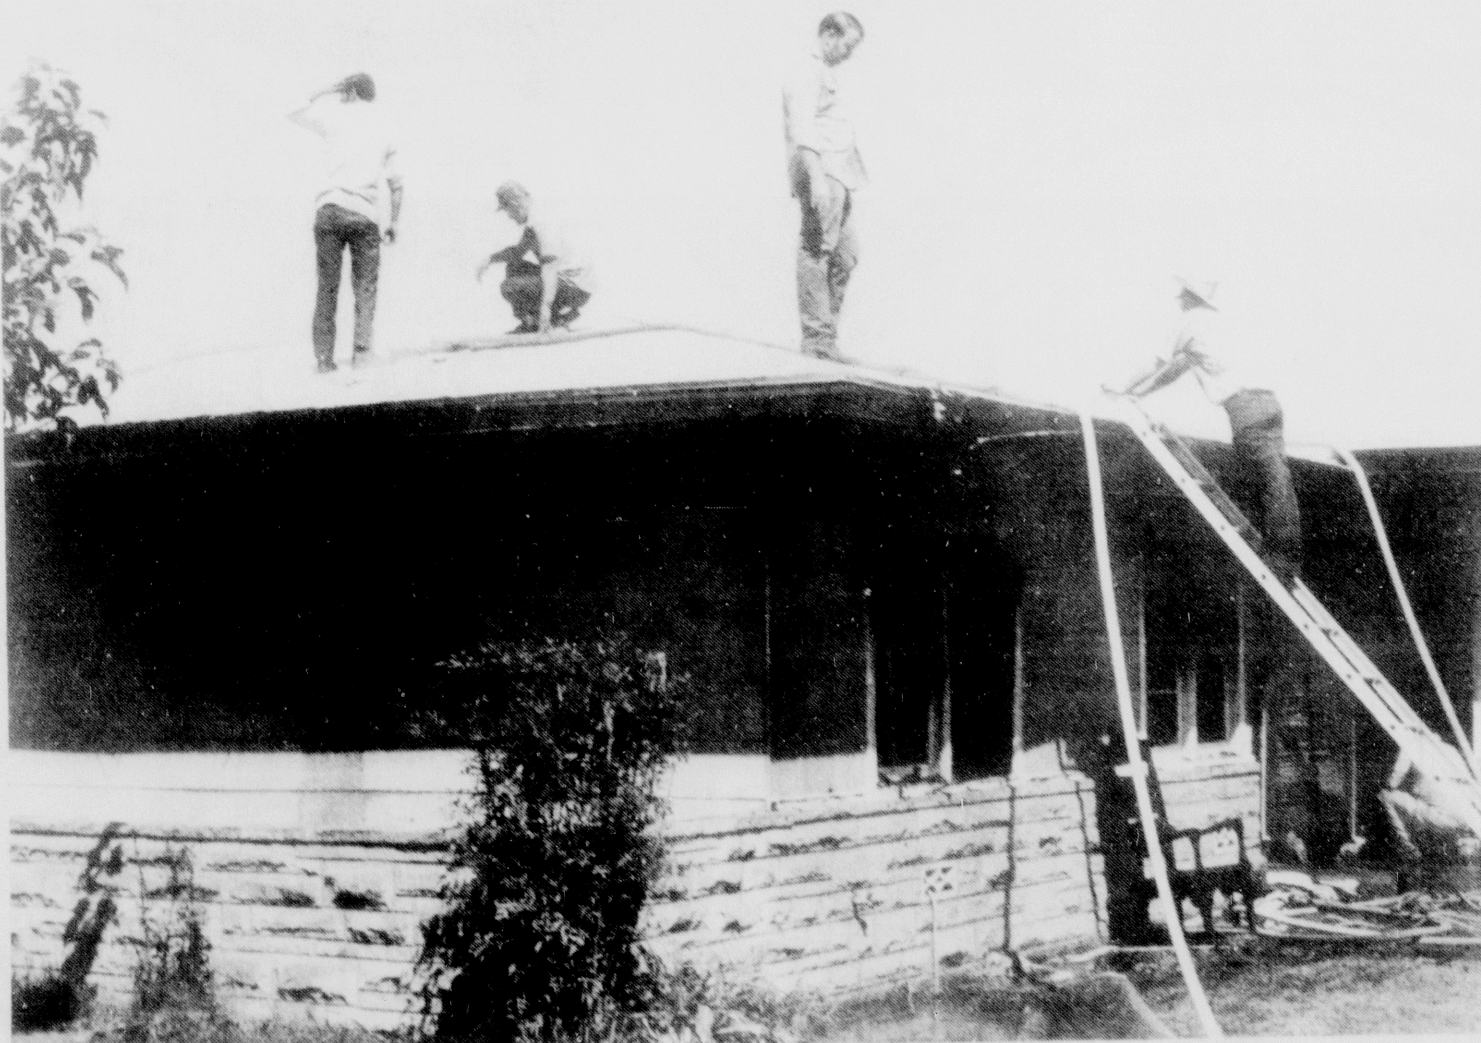

The service held the first Sunday in October, 1950, was attended by 38 persons.

Attendance reached over 100 through the years. The general average was 85 to 90 however.

The present building was formerly Fairview Baptist Church. When the church disbanded the assets were given to the First Baptist Church and the building and piano was presented to the Mission.

Presently serving on the Mission committee and taking an active part in regular Sunday services are John V. Howard, Ed Lewis and Delmer Hill.

A resume of the church's history will be a feature of the Sunday afternoon service.

**FIREFIGHTING OPERATION**—Hamlin Volunteer Firemen battle a raging fire at the home of Mr. and Mrs. Bill Feagan Saturday afternoon. The five-bedroom home was ex-

tensively damaged by the blaze but no estimates of the loss were available this week. The Feagans are presently living at 449 Southwest Fifth Street. (Photo by Tim Jones)

## Rotary Club Supper Set Before Game

The Hamlin Rotary Club will host a pre-game Spaghetti and Meat Supper Friday night before the Hamlin-Anson football game.

Serving will begin at 5 p.m. in the high school cafeteria and continue until 7 p.m.

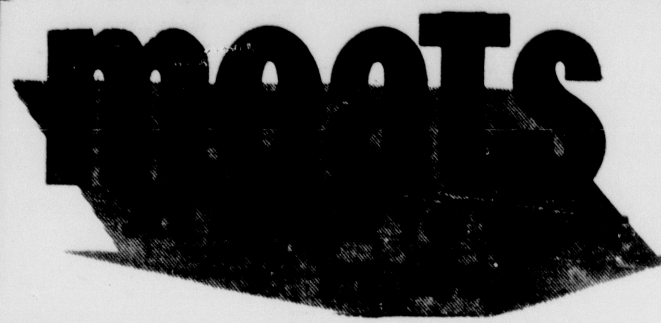

Advance tickets are \$2. The meal will include spaghetti and meat, salad, dessert and drink. Joe E. Ford is chairman of the project and Bill Rountree is ticket sales chairman.

Tickets will also be available at the door.

More than 325 persons were served at last year's annual event.

## Mrs. McKissack Hosts Xi Gamma Pi Meeting

Mrs. Bob McKissack was hostess for the Thursday afternoon bi-monthly meeting of Xi Gamma Pi chapter of Beta Sigma Phi sorority.

Mrs. James Harrison presided.

The club's Bicentennial project will be in cooperation with other groups to beautify areas leading into Hamlin on the north, south, east and west highways. Mmes. C. Weldon Griggs, John C. Bryant and Arlie Cassle were named to this committee.

Each member is to furnish a cake for the Saturday auction to help raise funds for the Hamlin Day Care Center. The cakes are to be in the BCD office by 2 p.m. Saturday.

Yearbooks, prepared by the yearbook committee, were presented by the members, Mmes. McKissack, M. L. Smith and Leldon Clifton.

Mrs. Bonds presented the program on the "History of Hamlin." She used information from a brochure prepared by the BCD office.

Refreshments were served. Attending were Mmes. Jack Willingham, W. T. Johnson, Gerald Young, James Harrison, Howard Mehaffey, Tim Jones, Bonds, Griggs, Bryant, Smith, Jerry Waggoner, Cecil Sellers, Arlie Cassle and a guest, Mrs. H. O. Cassle of Laguna Beach, Calif.

The next meeting will be Oct. 9 in the home of Mrs. Waggoner.

Weekend visitors in the home of Erma Hall and Mr. and Mrs. Mack Perdue were their cousins, Mrs. Cleora Cole of Arcadia, Calif., and Mrs. Opha Bynum of Palestine.

Is soda pop popular at your house? And do you collect a lot of those interesting-looking pop top rings? Here are a few suggestions for their use.

**Earrings**

Yes, earrings of all things! It's easy and you can make them any color you want. First paint the pop top rings. Then, simply place them flat onto waxed paper and fill the ring sections with ordinary white glue. Stir in a little food coloring, using a toothpick. Let the glue dry overnight; then carefully lift them off the waxed paper. Curl the tab ends and glue your finished earrings to the ear-ring backs.

**Ring around a Hot Pad**

Fancy up an old hot pad pretty enough for a party table. First, cut a piece of cardboard or felt, the same size and shape as your hot pad, for a backing to protect your table. Then bend enough pop top

rings to go around your hot pad and glue the tab ends to the underside of the pad. Paint the pad and the pop top rings. Finally, glue on the backing.

**Lizard Novelty**

Here's a cutie to hang on your coat or just to let the children have to play with. Overlap 11 rings and thread them onto ribbon. Cut tabs off except as follows: the first for a head, and the 3rd, 4th, 7th and 8th for legs. Curve the tabs down for the legs and up for the head. Taper the end of the ribbon for the tail. Cover the head ring with a paper circle and glue on beads for eyes.

FROM THE FILES . . .

FIFTY YEARS AGO

(Sept. 25, 1925)  
It may sound a bit "sacrilegious" to say "unwelcome" rain in West Texas. But when the whole country is "white unto the harvest" it is not altogether out of the place to say it is unwelcome! Monday and Tuesday of this week the cotton season was going full blast. Every gin was crowded and prospects looked good for a record week. But rains began to fall Tuesday night, and all day Wednesday it was clouded and more rain came Wednesday evening. So cotton picking is at a stand-still until next week. If no more rain falls.

Sunday will be a promotion day and we expect to make it a great day. A short program will be given at the close of the Sunday School hour, and those who are to be promoted are to be given their Sunday School certificates. Parents of the children are especially urged to be present.

J. L. Herbst and family of Idalou came down Sunday to spend a week with their parents. Mr. Herbst has been on the Plains about seven years. Mr. and Mrs. Jim Bristow of Truby, spent Sunday with his brother, D. L. Bristow and his family.

TWENTY YEARS AGO

(Sept. 23, 1955)  
Posters for the mass tuberculosis chest x-ray campaign slated in Hamlin soon will be put out in the middle of the week, according to Mrs. E. M. Wilson, Jones County TB Association chairman. J. E. Patterson, local chairman for Hamlin, has secured the showroom of Hamlin Motor Company for the project, which is to be conducted Thursday and Friday Oct. 6 and 7. Next week's Hamlin Herald will give a list of the personnel working in the project.

Quarterly Safety meeting for all the employees of the Shell Pipe Line Company

chapter at Hamlin will be conducted next Wednesday evening at the oil mill guest house, Shell officials announce. New officers of the chapter will be in charge of the conference. They are Loyd Burkhart, Governor; Ira Butler Jr., chairman; and R. T. Woodrow, secretary-treasurer.

Attending an fire prevention and arson investigators conference held last Wednesday and Thursday at Abilene was T. W. (Mickey) McGuire city fire marshall of Hamlin. Sponsored by the Firemens Training School of Texas, A and M College and the engineering extension service, the conference presented state leaders in pointers on the vital theme of the gathering.

TEN YEARS AGO

(Sept. 23, 1965)  
Revival services at First Methodist Church continue this week through Sunday. Services are being held at 7 a.m. and 7:30 p.m. with Rev. Tilden Armstrong as the evangelist. Rev. Armstrong is District Superintendent of the Abilene District. The music is being directed by Rev. Don Dornon, senior ministerial student at McMurry, Abilene.

The cattlemen's roundup for Crippled Children will be held at the Farmer's and Rancher's Barn Monday, Sept. 27, at 1 p.m. Cattle are now being picked up and delivered to the auction barns in preparation for the sale.

The Licensed Vocational Nurses Association, Division 54, which is composed of members in Hamlin and Anson is extending an invitation to the interested public to hear a talk by Dr. Mendenhall. He will speak on chest Surgery and nursing care. The meeting will be held at 7:30 p.m. Tuesday in Anson at the First Baptist Church Fellowship Hall.

Since last Friday the moisture recorded at the City Station totalled .97. The rain came on four days as follows: .29, Sept. 17; .59, Sept. 18; .08, Sept. 19; and .01, Sept. 21.

And What Have You

— Continued from page One

and seed expense much less his own labor?

And now that the wheat farmer has managed to raise a bumper crop despite the adversity of weather, inflation, and soaring fuel costs, suddenly everyone, suddenly all the "we's" want to rush in and tell him who to sell to and for what price.

All of a sudden it's not the farmer's crop any longer. Now it's "our" crop.

Jumpin' jeohosphat! The farmer has a commodity for sale and at long last the whole world wants to buy it. Now, instead of storing it in expensive elevators, buyers everywhere are clamouring for it.

And as far as we are concerned, the American farmer ought to sell his crop to the highest bidder whether he be the American consumer, an Arab potentate, a Russian wheeler-dealer, or a Ubangi native.

It is hard for us to visualize a Russian, an Arab, or a Ubangi native having more bargaining power, more purchasing power, more money to spend on food, than an American citizen.

But if the Russian citizen is more willing to pay the price of American wheat than is the American Consumer, then we firmly believe that the farmer should be free to sell overseas.

It's his crop just as surely as it's the artist painting, the manufacturer's sewing machine, the author's book, the designer gown, the oil man's well. . . and if you don't want to pay the going price—do without!

That free enterprize!

NET

One of the definitions for a net is a trap or a snare.

A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."  
How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The Hamlin Pied Pipers will battle the Anson Tigers in their first District 6-AA game of the season in Piper Stadium Friday at 7:30.

All district contests will begin at 7:30.

Hamlin presently stands at 3-0-1 by dumping Rotan, Haskell and Clyde and tying Cisco. Anson boasts a 4-0 mark with romps over Haskell, Rotan, Albany and Clyde.

The Hamlin Pied Pipers battled the Cisco Lobos to a 6-6 tie Friday evening in Piper Stadium.

Delbert Thompson and Daniel Willis provided most of the yardage on the 10-play scoring drive when Thompson's 12-yard touchdown romp put Hamlin into the lead with 7:51 left in the first quarter.

Cisco knotted the score on a fourth quarter pass play. Then with six seconds showing, Russell May rushed in to block a field goal at-

tempt to conserve the tie.

Carrie May and Gerald Rodgers were chosen as Citizens of the Month during a National Honor Society meeting last week.

The Hamlin FFA Chapter has donated several items of "Western Art" to the Hamlin Child Care Center for the auction Oct. 4.

FFA members and advisors have been busy this past week building windmills from concrete nails and cowboys from nails, washers, steeples and wire. The art items are on display at the Board of Community Development office and will remain on display until the auction Saturday evening.

The Distributive Education classes have been selling cow bells for the pep rallies and football games to promote school spirit and enthusiasm throughout the gridiron season. One hundred ninety-six bells have been sold thus far.

**Appointments**

Sidney E. McKinney of Abilene has been named to the Industrial Accident Board by Gov. Dolph Briscoe.

Briscoe also selected these members for the Motor Vehicle Commission: Robert Lee Ragsdale of Austin, John N. Cleveland of San Angelo and James M. Carnes of San Antonio.

George F. Dillman of Richardson was re-elected Texas Tourist Development Board chairman.

George Works, Wichita Falls newspaperman, was appointed House Speaker Bill Clayton's press secretary.

The C.V.A.E. class has poured a concrete driveway for Bill Moore and painted a livestock trailer for Lonnie Kidd. They are also working on individual projects to enter in contests later in the year. Mr. Ronald Carter is sponsor of the class.

- Chevette is international in design and heritage, incorporating engineering concepts proved around the world.
- Its wheelbase is about the same as a VW Rabbit's.
- It has more front-seat head room than a Datsun B-210, more front-seat leg room than a Toyota Corolla.
- Its turning circle is one of the shortest in the world.

- It can carry cargo up to four feet wide.
- It is well insulated against noise.
- It is protected by 17 anti-corrosion methods.
- It is basically a metric car.
- It comes with a clear, simple self-service booklet.
- It has a standard 1.4-litre engine. A 1.6-litre engine is available (except Scooter).

# Cisco Comes From Behind to Tie Pipers

The Pipers had the Cisco Loboes on the ropes here Friday evening, but let them off the hook and before the night was over had to fight for lives just to settle for a 6-6 tie. The first half was all the Pipers as they scored the first time they got the ball and completely dominated the highly rated Loboes. But things were different in the second half as the Loboes took command of the football and dominated most of the play.

The Pipers took the opening kickoff and drove 70 yards in 10 plays to score their only points of the evening. During the remainder of the first half, the Pipers were within scoring range three more times and had one touchdown called back. The Pipers moved into scoring range again early in the third period before the Cisco offense took control of the game.

The Loboes ran 41 plays during the second half while the Pipers ran only 19. Lobo Quarterback Ronny Powelson had a busy night for Cisco as he carried the ball 17 times for 77 yards and passed 21 times, completing nine for 95 yards.

Halfback Robert Phariss was the top runner for the Pipers with 70 yards in nine carries. Both Fullback Delbert Thompson and Daniel Willis ended the night with 48 yards each. Willis's came on 11 carries and Thompson's on 13. Kelly Kent, who came into the game averaging nearly 200 yards a game for the Loboes, ended the night with 38 yards in 12 carries. At half-time he had carried four times for minus two yards.

Mack Lee returned the opening kickoff 15 yards to the Hamlin 30 to get the game underway. Willis picked up three yards and then Quarterback Gerald Rodgers ran for nine and a first down at the 47. Thompson carried for six and then Willis picked up another first down on a four-yard carry. Rodgers kept the ball again for another nine yards and then Thompson picked up the first down at

the Lobo 33. Willis skirted his right end for 18 yards to the 16. Thompson picked up one yard, Willis added two more and then Thompson broke over right guard for 13 yards and the score. The snap on the point after try was mishandled and the holder, Drew Tomlinson, tried to pass into the end zone for the two-pointer. The pass fell incomplete and the Pipers were ahead 6-0 with 7:51 left in the first period.

The Loboes gained six yards in three plays and were forced to punt with Willis returning it 19 yards to the Hamlin 39. The Pipers failed to make their first down and punted back to the Loboes.

Cisco took over on their own 10 and fumbled on their first play with David Moore recovering for the Pipers at the Cisco 22. But two plays later the Pipers returned the favor as they gave up the ball on another fumble at the Cisco 14. Cisco did not hang on to the ball long however, as Phariss picked off a Powelson pass and returned it to the Hamlin 43.

The Pipers failed to gain enough for a first again and Rodgers punted to the Cisco 19. Aided by a 15-yard penalty against the Pipers, the Loboes moved out to the 43 before being forced to punt again.

Taking over on their own 26, the Pipers picked up a first down at the 36 on runs of four and six yards by Willis and Phariss. On the next play, Phariss broke loose for 42 yards before being knocked loose from the ball when he was tackled with

Cisco recovering on their own 21.

The Loboes put together three first downs before punting from the 49. With a strong wall of blockers, Phariss returned the Lobo punt 87 yards for an apparent Piper touchdown only to have it called back because of a clipping penalty.

The Pipers failed to gain a first down and punted to the Lobo 27. Cisco picked up a first down at the 38 before Phariss picked off another Powelson pass and returning it 45 yards to the Cisco 26.

With time running out in the first half, Rodgers passed to Alan Steele for 11 yards and then threw out of bounds to stop the clock and set up a field goal try from the 22. Stan Jones's kick was short and the Pipers went in the dressing room at half time with only a six-point lead over the Loboes.

Cisco failed to gain a yard in their first series following the half and punted to their own 45. The Pipers were just inches short of a first down and had to give the ball back to the Loboes at the 35. Alan Young recovered a Cisco fumble at the Lobo 28 to give the Pipers another scoring opportunity.

Willis carried three times for a total of 14 yards and first down at the 14, but the Pipers could only manage five yards in their next four plays and had to give up the football at the nine.

Stopping the Pipers appeared to give new life to the Loboes as they opened up their first serious drive of the night at this point. Relying mostly on the running and passing of Powelson, the Loboes moved from their own nine to the Piper 21 before a 15-yard penalty helped stop their drive.

The Pipers gained eight yards in three plays and had to punt back to the Loboes.

Taking over on their own 45, the Loboes again relied heavily on the running and passing of Powelson to put pressure on the Piper defense. The Loboes gained three first downs to the Hamlin 11 before Brad

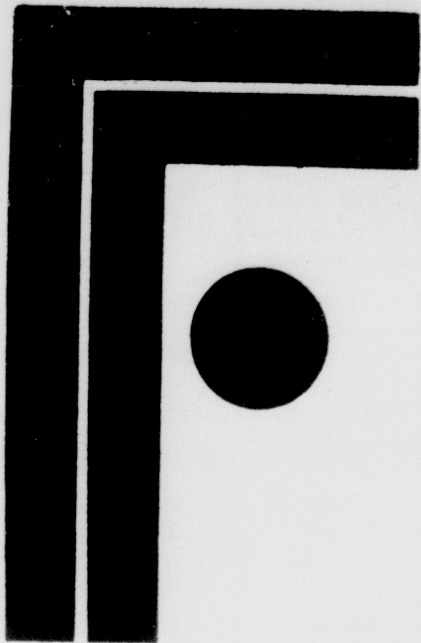

Wilcoxon carried around left end for the Lobo score with 3:57 left in the game. The point after try failed and the score remained tied, 6-6.

The Pipers failed to gain a first down following the kickoff and punted to the Cisco 49. The Loboes moved down to the Hamlin 13 as time was running out. After three incomplete passes and with time just about gone, the Loboes lined up for a 220-yard field goal attempt. Russell May saved the Pipers from a possible defeat as he broke through the Cisco line to block the kick as time ran out.

## Safe Tractor Operation Now Law

Farmers and ranchers whose employees operate tractors are now required to train these employees on the safe operation of tractors, especially regarding the prevention of rollovers. This training shall be provided at the time of initial assignment and as least annually thereafter.

The required training became effective June 1 and is a part of the Occupational Safety and Health Act (OSHA), which also requires all agricultural tractors (except the "low profile types") to be manufactured with rollover protective structures (ROPS) and seat belts after October 25, 1976.

"Low Profile" tractors may be operated without ROPS while being used in orchards or vineyard where vertical clearance requirement of the protective structures would interfere with normal operations. However, even exempted

tractors must have ROPS attached when operating under conditions not covered by the exemption.

According to Kirby Clayton, county agent for the Texas Agricultural Extension Service, the required tractor safety training includes the following operating instructions:

1. Securely fasten the seat belt if the tractor has a ROPS.

2. Where possible, avoid operating the tractor near ditches, embankments and holes.

3. Reduce speed when turning, crossing slopes, and on rough, slick or muddy surfaces.

4. Stay off slopes too steep for safe operation.

5. Watch the direction, especially at row ends, on roads and around trees.

6. Do not permit others to ride.

7. Operate the tractor smoothly—no jerky turns, starts or stops.

8. Hitch only to the drawbar and hitch points recommended by the tractor manufacturer.

9. When the tractor is stopped, set the brakes securely and use the park lock if available.

In addition to these particular items, Clayton emphasizes that the working environment may dictate other safety practices.

Operators of tractors equipped with ROPS are required to wear seat belts to keep them inside the protective structure in case of a turnover, notes Clayton. Operators of tractors without ROPS should not wear seat belts.

## Philosopher Wants Right to Depreciate Himself On Income Return Like Quarterbacks

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One thinks he has discovered a possible tax loop hole.

Dear editor:

These days, if you want to keep up with labor-management news you naturally have to read the sports pages and that's what I was doing the other night when I ran across an item that made me sit up straight.

According to it, owners of professional football teams can depreciate the cost of quarterbacks. That's right. Say they pay \$500,000 for a quarterback. They then estimate he'll last for, at the most, depending on how much bigger and faster the blitzing linebackers get, about five or six years, give or take a few knee operations and broken ribs. So, they depreciate the cost on their income tax return.

While some people may be

outraged at this, I think it's a splendid idea and if I can think of his name I'm going to write our Congressman and ask him to introduce a bill letting everybody in on this.

For example, say you're 50 years old and it has cost you a minimum of \$2000 a year in food, clothing and shelter to reach that age. (You can't figure in what it has cost you to see \$500,000 quarterbacks play, your subscription to Playboy and things like that.)

All right. That's \$100,000 you've got invested in yourself, subject to annual depreciation on your income tax.

Now comes the ticklish part. Do you elect a quick write-off, say 10 years, or do you string it out over 15 or 20 or even more?

Suppose you feel good and drive carefully and decide to depreciate yourself over 20 years. That means you can write off \$5,000 a year on your income tax. Sure beats that \$100 Congress allowed us last

year. Make a joint return, depreciate your wife, and wind up with the government owing you.

Changing the subject, considering how the CIA has been opening mail willy-nilly, how the FBI and the Secret Service have ignored clear-cut warnings about individuals who feel like shooting a President, how Washington can't for the life of itself figure out an energy policy, how our foreign policy makers seem to believe selling arms to all sides is the way to secure peace, how the Russians continue to outsmart us when it comes to buying grain, how the big cities are going broke, considering all these and a few more you are probably thinking of, do you sometimes get the feeling that this country is being run mainly by incompetents?

Your faithfully,  
J.A.

## Boy Scouts Elect New Troop Officers

At a recent scout meeting new troop officers were elected as follows: Russell Cary, senior patrol leader; Edwin Wheat, assistant senior patrol leader; Wayne Wheat, scribe; Tim Hawkins, librarian; Johnny Cook, quartermaster; David Hertel, Paul Reynolds, Dwain Miller, Neal Baker, Ricky Furr, patrol leaders. New members include: James R. Austin and Steve Austin, sons of Mrs. Joyce Austin, Kevin Benningfield, son of Mrs. Faye Benningfield.

## Rep. Elmer Martin Named On House Sub-Committee

State Rep. Elmer Martin of Colorado City has been appointed to a House Agriculture sub-committee which will study insecticides, pesticides, herbicides, insect control and the availability of agriculture fertilizer and fuels.

The appointment was announced by Speaker of the House Bill Clayton and Joe A. Hubenak, Chairman of the House Committee on Agriculture and Livestock.

Part of the work of this sub-committee will center on seeking new ways to control the spread of insects which affect the cotton crops of West Texas.

"Hopefully, the fact-finding studies and recommendations of this sub-committee will enable growers to use pest management practices and reduce production costs while maintaining maximum yields of crops with minimum use of insecticides," Rep. Martin said.

Spending the weekend with Mr. and Mrs. Monroe Tabb were their son, Mr. and Mrs. Monroe Ericson Tabb and children Linda and Vance and Andrea Fink, an exchange student from Germany, and Debby Teishouser, all of McCamey. Also there were their grandsons Eric and Bob Tabb and Cindy Finegan, of Lubbock, Mr. and Mrs. J. P. Bowman,

Visiting in the home of Mr. and Mrs. Monroe Tabb Monday afternoon were Mrs. Tabb's nieces, Mr. and Mrs. Charles McDowell and children, Kellie and Andy of Floydada, and Mr. and Mrs. J. W. Carlton of Copperas Cove. They came for the funeral of their grandmother,

Mrs. Florence Calvert. Also visiting was Mrs. Tabb's brother-in-law, Jake Farmer, of Holiday Lodge.

## Our Congratulations TO THE HAMLIN VOLUNTEER FIRE DEPARTMENT FOR A JOB DONE LIKE PROFESSIONALS

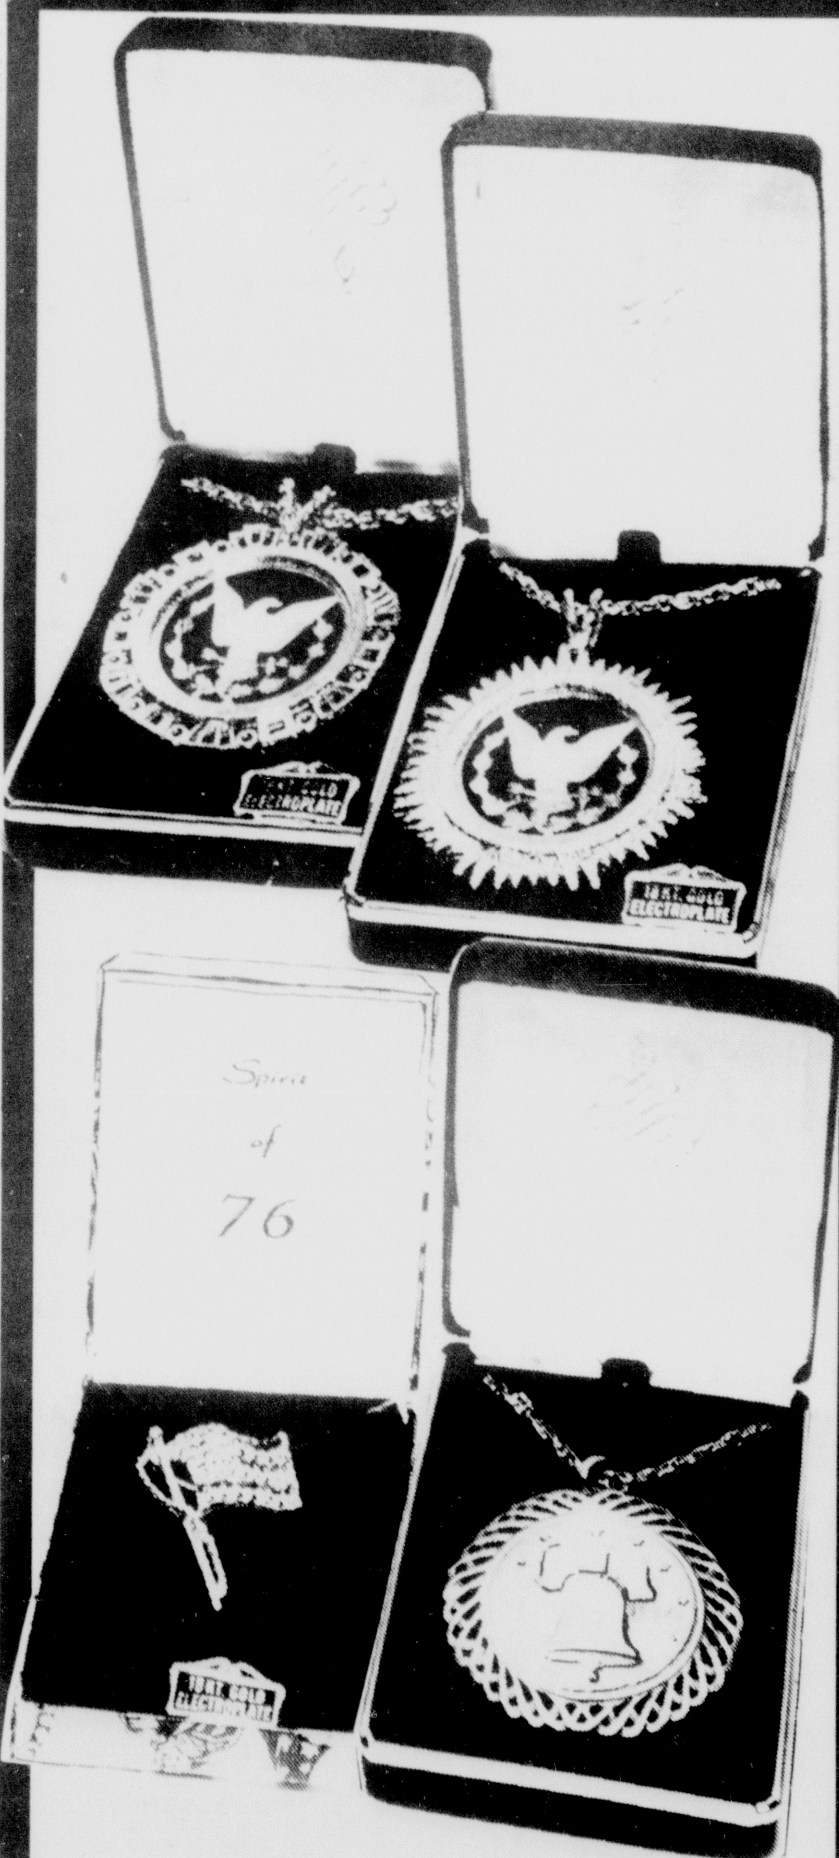

A special thanks goes out to these volunteers for doing their job without causing any unnecessary damage to our home when it burned here Saturday.

Hamlin can be very proud of the dedication of these fine men who are on 24-hour call and take great risks without thought to their own personal safety.

We would also like to thank our many friends and neighbors who joined in the effort to save our home and who helped move the furniture out. Also a great big thanks to members of Beta Theta and other friends who have helped to clean things following the fire.

Again, we say thanks to all of you for a job well done.

Pallbearers were John Edd Reed, Marion Reed, Frank Allen, Don J. Allen, Craig Lawlis and James Smart.

McCaulley Rites

Held Tuesday for

Ruby Hennington

Funeral for Ruby Emma Hennington, 73, 548 Northwest Second, was held at 2 p.m. Tuesday at McCaulley Baptist Church with the pastor, the Rev. George Caffey, officiating.

Miss Hennington, a resident of Hamlin since 1918, died at 11:45 p.m. Sunday at Hamlin Memorial Hospital. She was born Nov. 11, 1901, in Ellis County, daughter of

the late Mr. and Mrs. W. T. Hennington. She was a housekeeper.

Survivors include two brothers, R. B. Hennington, Albert Hennington; one sister, Annie Martin of Ropesville; and 12 nieces and nephews.

Burial was in McCaulley Cemetery under the direction of McCoy Funeral Home.

Pallbearers were Ernest Webb, Charles Ferguson, Virgil Steele, Bill Guinn, Emmett Hicks and Harvey Dowell.

Mr. and Mrs. Jimmy Richard Kelly of Sylvester are parents of a boy, Richard Paul, 8 lbs. 6 1/2 oz., born Sept. 27 at 12:25 a.m. Their other children are Michale Shane, 6, Christopher Lynn, 4, Tanya Michell, 3. Maternal grandparents are Mr. and Mrs. M. C. Burnett of Colorado City. Paternal grandparents are Mr. and Mrs. Richard R. Kelly of Sylvester.
